

Cumulative Index 1981, 1982, and 1983

Volumes 8, 9, and 10

SYMPOSIA

1981

| | |
|-----------------|-------------------------------------|
| <i>February</i> | DIFFICULT LABOR AND DELIVERY |
| <i>June</i> | PERINATAL NEPHROLOGY |
| <i>October</i> | PERINATAL INFECTIONS |

1982

| | |
|-----------------|--|
| <i>February</i> | OBSTETRIC ANESTHESIA AND ANALGESIA |
| <i>June</i> | FETAL MONITORING |
| <i>October</i> | FLUID BALANCE IN THE NEWBORN INFANT |

1983

| | |
|-----------------|---|
| <i>February</i> | INNOVATIVE PLANNING OF PERINATAL CENTERS |
| <i>June</i> | OPERATIVE OBSTETRICS |
| <i>October</i> | PERINATAL ENDOCRINOLOGY |

Note: The volume year is in *italic* type. Page numbers of symposium and article titles are in **boldface** type.

ABDOMEN, injuries to, due to birth trauma,
1983: June, 499
pregnant, blunt trauma to, 1983: June,
429-432
penetrating trauma to, 1983: June, 432-
433
Abortion, anti-D immune globulin following,
1983: June, 345-346
midtrimester, 1983: June, 305-320
spontaneous, steroid measurements in
evaluation of, 1983: Oct., 534-535

ABO typing, fetal, fetal blood sampling for,
1983: June 363
Abruptio placentae, anesthetic
considerations, 1981: Feb., 145-147;
1982: Feb., 119-121
Abscess, brain, 1981: Oct., 448
Acid-base balance, and placental transfer of
local anesthetics, 1982: Feb., 16-22, 31
fetal, 1981: Feb., 88-90
effects of meperidine on, 1982: Feb.,
44-45

- Acid-base values, fetal, prediction of 1982: June, 353-361
- Acidosis, fetal, 1982: June, 392-395
- metabolic, in acute renal failure, 1981: June, 248
- Adenocarcinoma, of fallopian tube, during pregnancy, 1983: June, 376
- of uterus, during pregnancy, 1983: June, 375
- Adrenal gland, autoregulation of in the fetus, 1983: Oct., 543-544
- Adrenal gland, fetal, 1983: Oct., 680-681
- Adrenocorticotrophic hormone, beta-endorphin and, in pregnancy, 1983: Oct., 653-667
- in the fetoplacental unit, 1983: Oct., 678-679
- in the maturing fetus, 1983: Oct., 541-543
- Adult polycystic kidney disease, in newborn, 1981: June, 382-384
- Air-oxygen proportioners, descriptions and prices, 1983: Feb., 274-275
- Albinism, fetal skin sampling for, 1983: June, 366
- Aldosterone, in pregnancy-induced hypertension, 1983: Oct., 742-743
- Alpha fetoprotein, in fetal assessment, 1983: Oct., 772
- Amenorrhea, puerperal, etiology of, 1983: Oct., 731-733
- Aminoglycosides, in newborn, monitoring of therapy, 1981: June, 268
- renal effects, 1981: June, 234-235
- Amniocentesis, anti-D immunoprophylaxis after, 1983: June, 347-349
- Amnioinfusion, in induction of midtrimester abortion, 1983: June, 312-313
- Amnioscope, in fetal scalp blood sampling, 1981: Feb., 90-92
- Amniotic fluid, beta-endorphin in, 1983: Oct., 662-663
- Amniotic fluid tests, for determining fetal maturity, 1982: June, 303-305
- Anaerobic bacteria, antibiotic susceptibility of, 1981: Oct., 563
- Analgnesia. See also *Anesthesia*.
- during labor, 1982: June, 373-374
- obstetric, symposium on, 1982: Feb., 1-224
- systemic, during labor, 1982: Feb., 29-53
- recommendations for use, 1982: Feb., 48-49
- Analgesic drugs. See also specific agent, e.g., *Meperidine*.
- systemic, disposition and distribution 1982: Feb., 30-31
- effects on fetal heart rate monitoring, 1982: Feb., 45
- Analgesic drugs (*Continued*)
- systemic, neurobehavioral effects, 1982: Feb., 47-48
- pharmacokinetics, 1982: Feb., 32-34
- Anemia, acute renal failure and, in newborn, 1981: June, 248
- congenital infection and, 1981: Oct., 500
- Anesthesia. See also *Analgnesia*.
- caudal, 1981: Feb., 73
- effects of maternal adaptations to pregnancy, 1982: Feb., 113-117, 136-143
- epidural, 1981: Feb., 152; 1982: Feb., 63-76
- anatomic mechanisms, 1982: Feb., 63-64
- clinical evaluation, 1982: Feb., 66-67
- complications, 1982: Feb., 72-73
- contraindications, 1982: Feb., 71
- effects on fetal heart rate monitoring, 1982: Feb., 55-62
- effects on *neonate*, 1982: Feb., 67-69, 198-202, 206
- for cesarean section, 1982: Feb., 70-71
- indications, 1982: Feb., 71-72
- pharmacology, 1982: Feb., 65-66
- physiologic mechanisms, 1982: Feb., 64-65
- fetal exposure, during nonobstetric surgery, 1982: Feb., 144-146
- for breech deliveries, 1982: Feb., 77-87
- for high risk obstetric patient, 1982: Feb., 113-134
- for nonobstetric surgery during pregnancy, 1982: Feb., 135-152
- for pregnancy-induced hypertension, 1982: Feb., 95-111
- for pregnant diabetic patients, 1982: Feb., 153-166
- general, effect on neonatal neurobehavior, 1982: Feb., 207-208
- obstetric, advantages 1982: Feb., 220-222
- as risk factor, 1981: Feb., 13
- effects on neurobehavior of neonate, 1982: Feb., 191-214
- in intrapartum emergencies, 1981: Feb., 145-154
- objections to, 1982: Feb., 215-220
- recent advances, 1982: Feb., 3-12
- symposium on, 1982: Feb., 1-224
- versus no anesthesia, 1982: Feb., 125-224
- paracervical block, effect on neonatal neurobehavior, 1982: Feb., 200-201
- pudendal block, effect on neonatal neurobehavior, 1982: Feb., 201-202
- regional, obstetrical forceps and, 1981: Feb., 71-72
- spinal, 1981: Feb., 152

- Anesthetic drugs, local, epinephrine added to, 1982: Feb., 20-21, 69
 placental transfer, 1982: Feb., 13-28
 acid-base balance and, 1982: Feb., 16-20, 31
 effect of dosage, 1982: Feb., 21-22
 protein binding and, 1982: Feb., 16-20, 31
 uteroplacental blood flow and, 1982: Feb., 15, 31
 teratogenicity, 1982: Feb., 143-144
 Angiotensin II, in pregnancy-induced hypertension, 1983: Oct., 741-746
 Angiotensin III, in pregnancy-induced hypertension, 1983: Oct., 742
 Antibiotics, in newborn, monitoring of therapy, 1981: June, 263-272
 renal effects, 1981: June, 222, 234-235
 prophylactic, during cesarean section, 1983: June, 461-471
 in midtrimester abortion, 1983: June, 306
 sensitivity testing 1981: June, 264
 Anti-D immune globulin, 1983: June, 343-355
 Antidiuretic hormone, in newborn, inappropriate levels, 1982: Oct., 548-549
 renal function and, 1981: June, 233-234, 259-260
 Antimicrobial agents, 1981: Oct., 559-577
 clinical pharmacology of, 1981: Oct., 563-567
 Antimicrobial susceptibility testing, 1981: Oct., 553
 Apgar scores, umbilical cord acid-base determinations and, 1982: June, 388-392
 Apgar scoring, 1982: Feb., 182-186
 Apnea monitors, 1983: Feb., 190
 descriptions and prices, 1983: Feb., 268-269
 Applanation transducer, for measuring intracranial pressure, 1983: Feb., 225-226
 Arginine vasopressin, secretion and control, 1983: Oct., 696-697
 Asphyxia, birth, 1983: June, 473-486
 fetal, effect on placental transfusion, 1982: Oct., 571-574
 related to nonobstetric surgery, 1982: Feb., 146-147
 fetal response to, 1983: June, 475
 in labor, 1982: June, 313-314
 perinatal, renal complications in, 1981: June, 220-221, 259-260
- BACTERIAL infection, congenital, jaundice with, 1981: Oct., 469
 neurologic manifestations of, 1981: Oct., 446-450
 diagnosis, of, 1981: Oct., 537-558
- Bacterial infection (*Continued*)
 prevention of, 1981: Oct., 611-613
 treatment of, 1981: Oct., 559-577
 Barbiturates, obstetric, effect on neonatal neurobehavior, 1982: Feb., 202
 Baroreceptors, fetal cardiac activity and, 1982: June, 327
 Behavior, activity and, effect on insensible water loss in neonates, 1982: Oct., 461-462
 fetal, fetal heart rate and, 1982: June, 434-436
 Beta-adrenergic agents, for delaying labor, 1982: Feb., 127-129
 Beta-endorphin, ACTH and, during pregnancy, 1983: Oct., 653-667
 in the maturing fetus, 1983: Oct., 543
 Bilirubin, in newborn, renal function and, 1981: June, 235
 Biophysical profile scoring, fetal, 1982: June, 255-296
 Birth, injuries, 1981: Feb., 111-129
 natural, cord severance and, 1982: Oct., 569-570
 preparation for, Lamaze method, 1981: Feb., 201
 process of, effects on parents, 1981: Feb., 197-210
 weight, very low, infant mortality and, 1981: Feb., 183-195
 Birth asphyxia, 1983: June, 473-486
 Birth trauma, immediate management, 1983: June, 487-505
 severe, long-term prognosis, 1983: June, 507-520
 Bishop's pelvic score, 1981: Feb., 43, 54
 Bladder, diverticula, in newborn, 1981: June, 283
 dysfunction, in prune belly syndrome, 1981: June, 283
 neurogenic, in newborn, 1981: June, 282
 Blood, fetal, sampling, 1981: Feb., 87-94
 complications of, 1981: Feb., 112-113
 volume, fetoplacental, perinatal redistribution, 1982: Oct., 559-592
 Blood flow, uterine, in pregnancy, endocrine modulation of, 1983: Oct., 567-573
 Blood gas, fetal, monitoring, 1983: Feb., 191, 250-251
 Blood pressure monitors, 1983: Feb., 191
 descriptions and prices, 1983: Feb., 265-268
 Body temperature, effect on insensible water loss, 1982: Oct., 462
 Body water, beta-endorphin in, 1983: Oct., 654-655
 homeostasis, symposium on, 1982: Oct., 453-657
 insensible loss of, in newborn, 1981: June, 246, 254; 1982: Oct., 453-482
 radiant warmers and, 1982: Oct., 472, 475, 483-503

- Bowel, fetal obstruction, perinatal management, 1983: June, 404
- Brachial plexus, birth-related injury, 1981: Feb., 123, 124
long-term prognosis, 1983: June, 513-515
- Bradycardia, fetal, prolonged, 1982: June, 332-334
- Brain abscess, 1981: Oct., 448
- Brain damage, in asphyctic fetus, 1983: June, 480-482
- Breathing movements, fetal, assessment, 1983: Feb., 249
- Breech delivery. See under *Delivery and Fetus, presentation*.
- Burns, pregnancy and, 1983: June, 383-389
- Butorphanol, for systemic analgesia during labor, 1982: Feb., 41
- CALCITROPIC hormones**, in maternal physiology, 1983: Oct., 578-580
- Calcium, homeostasis, during pregnancy, endocrine regulation of, 1983: Oct., 575-592
- Candida albicans* infection, 1981: Oct., 542
- Cardiac disease, congenital infections and, 1981: Oct., 481-497
- Cardiac failure, effect on insensible water loss, 1982: Oct., 463
- Cardiac monitors, 1983: Feb., 190
- Cardiorespiratory monitors, descriptions and prices, 1983: Feb., 265-268
- Cardiovascular disorders, associated with nonimmune hydrops fetalis, 1982: Oct., 614
- Cardiovascular drugs, effect on mother and fetus, 1981: Feb., 161-162
- Cardiovascular system, maternal, adaptations during pregnancy, 1982: Feb., 140-141
in labor and delivery, 1981: Feb., 155-157
- Cataracts, with congenital rubella, 1981: Oct., 419, 423-425
- Catecholamines, in newborn, renal function and, 1981: June, 229-230
in pregnancy, influence of sex steroids on, 1983: Oct., 571-572
- Cephalhematoma, as birth injury, 1981: Feb., 65-66, 118; 1983: June, 489-490
- Cephalopelvic disproportion, cesarean section and, 1981: Feb., 102-103
in the obese mother, 1983: June, 412, 415-416
- Cerclage, cervical, 1983: June, 321-341
risks, 1983: June, 328-330
- Cerebral blood flow, determination of, 1983: Feb., 231-236
- Cerebral calcifications, congenital infection and, 1981: Oct., 452
- Cerebrospinal fluid analysis, for congenital infections, 1981: Oct., 457-459
- Cervical dilatation, continuous monitoring, 1983: Feb., 250
- Cervical insufficiency, diagnostic tests, 1983: June, 333-334
recurrent pregnancy loss due to, 1983: June, 325-328
- Cervix, ripening of, labor induction, and role of prostaglandins, 1981: Feb., 49-62
tumors of, during pregnancy, 1983: June, 371-373
- Cesarean section, breech perinatal mortality and, 1981: Feb., 177-178
current trends, 1981: Feb., 101-109
effect on placental transfusion, 1982: Oct., 570-571
epidural anesthesia for, 1982: Feb., 70-71
for breech delivery, anesthesia for, 1982: Feb., 86, 89-90
for multiple delivery, anesthesia for, 1982: Feb., 87-89
in diabetic patient, glucose and insulin therapy for, 1982: Feb., 159-161
in massively obese mother, 1983: June, 415, 419
in mothers with pregnancy-induced hypertension, anesthetic management, 1982: Feb., 107-109
postmortem, in trauma victim, 1983: June, 434-435
prophylactic antibiotics during, 1983: June, 461-471
vaginal delivery after, 1981: Feb., 131-143; 1983: June, 439-453
- Chemoreceptors, fetal cardiac activity and, 1982: June, 326-327
- Childbirth, process of, effects on parents, 1981: Feb., 197-210
- Chlamydial infection, of eye, 1981: Oct., 548
- Chloramphenicol, in newborn, monitoring of therapy, 1981: June, 268
- Chorioretinal lesions, syphilitic, at birth, 1981: Oct., 417
- Chorioretinitis, herpetic, 1981: Oct., 438
- Chromosomal analysis, fetal blood sampling for, 1983: June, 363
- Chromosomal disorders, associated with nonimmune hydrops fetalis, 1982: Oct., 617
renal malformations in, 1981: June, 365-367
- Clavicle, fracture, as birth injury, 1981: Feb., 120
- Coagulation, abnormalities, fetal blood sampling for, 1983: June, 361-362

- Coagulation (*Continued*)
 disseminated intravascular, 1981: Oct., 502
- Coagulopathy, congenital infection and, 1981: Oct., 502
- Colloid osmotic pressure, 1982: Oct., 505-521
 in medical practice, 1982: Oct., 517-520
 measurement, 1982: Oct., 511-515
 physiologic significance, 1982: Oct., 516-517
- Computed tomography, in congenital neurologic infections, 1981: Oct., 460
- Computers, in neonatal intensive care unit, 1983: Feb., 193, 195-203
- Condyloma acuminatum, 1983: June, 369-370
- Congenital infections. See also specific types of infection.
 epidemiology of, 1981: Oct., 397-414
 immunologic aspects of, 1981: Oct., 509-516
- Conjunctivitis, herpetic, congenital, 1981: Oct., 438
- Connecting peptide immunoreactivity, in diabetic pregnancy, 1983: Oct., 601-602
- Contraception, following midtrimester abortion, 1983: June, 318
- Contraction stress testing, for uteroplacental insufficiency, 1982: June, 265-270
 contraindications, 1982: June, 267
 estriol monitoring with, 1982: June, 268
- Contractions, uterine. See *Uterine contractions*.
- Convulsive seizures, infection and, 1981: Oct., 453
- Corneal disease, herpetic, 1981: Oct., 438
- Corpus luteum, function, relaxin as marker of, 646-647
 steroid measurements in evaluation of, 1983: Oct., 535
 gestational steroids of, 1983: Oct., 528-530
- Corticotropin, human chorionic, 1983: Oct., 678-679
- Corticotropin-like intermediate peptide, in the maturing fetus, 1983: Oct., 543
- Corticotropin-releasing hormone, in the placenta, 1983: Oct., 562
- Cortisol, serum, in diabetic pregnancy, 1983: Oct., 602-604
- Costs, of neonatal and obstetric equipment, 1983: Feb., 175-187, 263-279
- Crash carts, 1983: Feb., 192
- Cryptococcus neoformans* infection, 1981: Oct., 441
- Cystic kidney disease, in newborn, 1981: June, 375-390
- Cytomegalic inclusion disease, congenital, eye findings in, 1981: Oct., 433-437
 roentgen findings in, 1981: Oct., 517-536
 diagnosis of, 1981: Oct., 579-589
 heart disease with, 1981: Oct., 487
 immunodeficiency with, 1981: Oct., 512
 neurologic manifestations of, 1981: Oct., 454
 hepatic, 1981: Oct., 472
 epidemiology of, 1981: Oct., 403-405
 prevention of, 1981: Oct., 592-595, 609-611, 623-625
- DEATH, neonatal, effect on parents, 1981: Feb., 206-207
- Delivery, breech, anesthetic considerations 1982: Feb., 77-87
 anesthetic management, 1982: Feb., 131-132
 birth injuries and, 1981: Feb., 117-118
 cesarean, anesthesia for, 1982: Feb., 86, 89-90
 injuries associated with, 1982: Feb., 78-80
 intrapartum management of, 1981: Feb., 173-181
 vaginal, anesthesia for, 1982: Feb., 81, 90-92
 cesarean section, current trends, 1981: Feb., 101-109
 labor and, difficult, symposium on, 1981: Feb., 3-210
 method, in diabetic mother, 1981: Feb., 169-171
 midforceps, neuropsychiatric sequelae, 1983: June, 455-460
 neonatal injuries associated with, 1981: Feb., 111-129
 obstetrical forceps in, 1981: Feb., 63-77
 premature, effect on parents, 1981: Feb., 204-205
 timing, in diabetic mother, 1980: Sept., 304; 1981: Feb., 165-166
 vacuum extractor in, 1981: Feb., 74-75, 79-86
 vaginal, after cesarean section, 1981: Feb., 131-143; 1983: June, 439-453
- Delivery rooms, equipment costs, 1983: Feb., 181
 planning, building, and evaluating, 1983: Feb., 144
- Deoxycorticosterone, in pregnancy-induced hypertension, 1983: Oct., 748

- Diabetes, in pregnancy, 1980: March, 127-128; 1980: Sept., 299-311; 1981: Feb., 165-172
 anesthetic and obstetric management, 1982: Feb., 153-166
 calcium homeostasis and, 1983: Oct., 585
 endocrine and metabolic homeostasis in, 1983: Oct., 593-614
 insulin and diet therapy for, 1982: Feb., 157
 metabolic perturbation, 1982: Feb., 154
 perinatal morbidity, 1982: Feb., 155-157
 White's classification, 1982: Feb., 155-156
- Diagnostic techniques, prenatal. See under specific techniques and disorders.
- Dialysis, during pregnancy, 1981: June, 312-313
 in newborn, 1981: June, 249, 258
- Diaphragm, paralysis, birth-related, 1981: Feb., 125, 126
 long-term prognosis, 1983: June, 512-513
- Diarrhea, rehydration for, 1981: June, 258
- Diazepam, for systemic analgesia during labor, 1982: Feb., 41
 effect on neonatal neurobehavior, 1982: Feb., 202
- Diet, in management of diabetic pregnancy, 1982: Feb., 157
- Diethylstilbestrol, effect on reproductive tract, 1983: June, 302-303
- Dilatation-evacuation, in midtrimester abortion, 1983: June, 313-316
- Disseminated intravascular coagulation, 1981: Oct., 502
- Distress, in postdate fetus, 1982: June, 382
- Doppler ultrasound techniques, for estimating cerebral blood flow, 1983: Feb., 232-236
- Drug(s). See also specific agents.
 antibiotic, in newborn, monitoring therapy, 1981: June, 263-272
 effect on fetal heart rate variability, 1982: June, 345-346
 effect on placental transfusion, 1982: Oct. 570-571
 interactions, in infants, 1981: June, 269
 therapy, in newborn, renal function and, 1981: June, 221-222, 234-235
- Du antigen and antibody testing, 1983: June, 352-353
- Duchenne muscular dystrophy, fetal blood sampling for, 1983: June, 363
- Ductus arteriosus, patent, fetal rubella and, 1981: Oct., 484
- Dyonics Needlescope, 1983: June, 357-358
- Dysmaturity, in postdate fetus, 1982: June, 382
- Dysplasia, renal, in newborn, 1981: June, 363-364, 380-382
- EAR injuries, due to birth trauma, 1983: June, 494-495
- Eclampsia, anesthetic management, 1982: Feb., 122-126
- Ectopic kidney, in newborn, 1981: June, 363-364
- Edema, effect on insensible water loss, 1982: Oct., 463
 in the newborn lung, 1982: Oct., 593-611
- Electroencephalography, in congenital infections, 1981: Oct., 462
- Embryo, development, in vitro fertilization, 1983: June, 288-289
- Empyema, subdural, 1981: Oct., 450
- Encephalomeningitis, myocarditis with, 1981: Oct., 489
- Endocrine disorders, recurrent pregnancy loss due to, 1983: June, 325
